Captain Steck,

Chief White approved me to schedule this meeting on Monday, May 12<sup>th</sup> in the evening. He asked me to coordinate with you to have you prepare some speaking points for him.

Thanks,

**Kim Fresquez**

Dear Kim,

So nice speaking to you today. Thanks again for all of your help. So as I mentioned we're definitely looking good for May 12 on our end and the event will be early evening (around 5 or 6pm) and once that is finalized I will send you the event agenda and all the necessary details of course.

As far as the speech is concerned, I know I mentioned this is quite a polished and formal event. It's very UN-like the usual "ribbon cutting" with 50 guests and a pair of scissors. The Denver opening is a big deal

and will be held in front of about 2,000 guests. It will be filmed by a 7-camera event crew and our event team coming out from LA. So it's really more of a formal ceremony like a Hollywood award show if you were to compare it.

Here is a link to our recent event in Kentucky to provide an idea of the setting:

<http://www.scientology.org/david-miscavige/churchopenings/grand-opening-scientology-ideal-organization-cincinnati-ohio.html#>

So with that, I would very much appreciate you helping to get a speech draft in from the Chief (or his PR). We're trying to get all speeches in this week as we're planning 5 of these church openings concurrently.

I'm happy to provide some links for further information but the best is [www.Scientology.org](http://www.Scientology.org) which provides an overview of our community programs.

The key points for him would be:

1. Briefly who he is and what he stands for
2. What he knows of the Church and our programs (I realize that's his more recent acquaintance with us)
3. What he thinks about what we're doing to contribute to the community and how we can help bring about a better environment
4. What he looks forward to seeing as a result of our new church and our programs, and any other note of encouragement to the parishioners who volunteer in their neighborhoods.

Thanks again and let me know if you have any questions.

Best,  
Erin
